

June 2, 2020

Dear Mankind Supporters,

Today there are two major announcements to make you aware of.

Announcement #1: The 10th Annual Mankind Charity Golf Tournament has been rescheduled to Friday April 9, 2021.

During the past few months, we've all been challenged by the impact of the CV19 Pandemic in our personal and professional lives. The Mankind board has been holding out hope that the rules on re-opening and the health and safety concerns of the general public would allow us to host our annual golf tournament soon. Unfortunately, we've reached a point where a decision must be made and there are still limitations in place that make it impossible to produce the full scale event that has helped raise so much money and awareness for the past nine years and counting. Thus, we are rescheduling our 10th annual golf tournament to Friday April 9th, 2021, at The Tribute in The Colony, TX. However, in the meantime...

Announcement #2: Friday June 26th, 2020 is now "Golf #ForeMankind Day" and we need your help to make it a success!

The effects of the pandemic have made the Mankind mission **even more important** to accomplish right now, in 2020. So just cancelling the tournament this year was not an option we could accept. Instead the Mankind board came up with a clever way to raise funds and have fun on June 26, 2020 despite the factors working against us. We are going to promote this day as something everyone can participate in, even if they are not near North Texas on the 26th. On "Golf #ForeMankind Day" we encourage everyone to do 3 simple things:

1. **Play Golf** with us or elsewhere – it's up to you!

- a. Option #1: Play with the Mankind Board at The Tribute
 - If you already prepaid your tournament entry fee, you already have a spot secured among a limited block of tee times the course has allowed us. We will communicate your team's assigned time the week of the event. You've also already secured 1 Raffle Entry (prize to be announced)
 - If you have not prepaid, the cost is \$200 and includes golf plus a Raffle Entry. Access is limited so first paid = first to play
 - Though there won't be a scramble format tournament or included meals, there will be golf, comradery and fun supporting Mankind. The course is going to require one person per cart, and they will be selling alcohol and food.
 - There will be gatherings before the first tee-time and after golf is complete where the board will:
 - Share exciting updates on the men we've been able to help this year made possible by your generosity
 - Introduce a new "Mankinders Membership Program" that will make it easier than ever to support Mankind
 - Announce the raffle winner live on Facebook!
- b. Option #2: Play Elsewhere and "Join Us" Virtually
 - Post pictures and messages to social media with the #ForeMankind hashtag

- Tune in to the live raffle announcement on Facebook (time TBD)
 - If you prepaid your tournament entry fee, you will be entered in the Raffle if you opt to donate your entry fee to the charity

2. Support Mankind

- a. Donate via the “Donate Now” button at www.ForeMankind.org
 - For every \$50 donated between now and June 26, you will earn a Raffle Entry
- b. Join our new “Mankinders Membership Program” (details coming soon)

3. Promote “Golf #ForeMankind Day” on Social Media

- a. Click “Going” on our Facebook Event (<https://www.facebook.com/ForeMankind/>)
- b. Include “Golf #ForeMankind Day” on your social media posts

If you prepaid for an entry fee and/or sponsorship, but aren't able to participate on June 26th, you have several options:

1. Choose to assign your entry fee(s) and/or sponsorship payment to next year's event on April 9, 2021. We will hold the same sponsorship for you at our 10th annual event next year.
2. Donate your prepaid entry fee(s) and/or sponsorship payment to Mankind for use this year to help North Texan men and their families. You will receive one Raffle Entry per entry fee and additional Raffle Entries for every \$50 worth of donated sponsorship.
3. Request a refund. All refund requests will be honored 100%.

Thank you for supporting Mankind. The board looks forward to your participation on Friday June 26th, 2020, “Golf #ForeMankind Day”!
